Remove 'misleading' A1, A2 claims on dairy products: FSSAI

Our Bureau
New Delhi

The Food Safety and Standards Authority of India (FSSAI) has directed companies to stop using A1 and A2 protein labels on their dairy products, terming them as "misleading".

It also asked e-commerce operators to immediately remove such claims from their websites.

In an advisory, the food safety authority said it had observed that several food business operators were selling or marketing milk and milk products, such as ghee, butter and curd, among others, in the name of A1 and A2 under their FSSAI license or registration certificate number.

"The matter has been examined by FSSAI and it is opined that A1 and A2 differentiation of milk is essentially linked to difference in the structure of protein (beta casein). Hence, use of any A2 claims on milk fat products is misleading and not in conformance with the provisions laid down under FSS Act 2006 and Regulations," the FSSAI stated.

'STRICT COMPLIANCE'
It emphasised that the standards for milk do not mention or recognise any differentiation of milk "on the basis of A1 and A2 types."

"The FBOs are instructed to remove such claims from their products. E-commerce FBOs are instructed to remove all the claims related to A1 and A2 proteins from their websites immediately," the FSSAI said. It asked these companies to ensure "strict compliance" of this direction.

However, the FSSAI said food business operators are permitted to use the available pre-printed labels and exhaust them within the next six months.

Some industry players said this direction will ensure the misleading claims get eliminated.

Rate changes face delay as many in GoM back current GST slabs

FURTHER ACTION. Panel to make presentation before GST Council on September 9

Shishir Sinha
New Delhi

Rate rationalisation is likely to be delayed as majority members in the concerned Group of Ministers (GoM) are in favour of retaining the present structure.

Meanwhile, the issue of GST on health and life insurance premium will be examined by the Fitment Committee, a group of Central and State Tax officials.

The GoM will make a presentation on the status quo before the GST Council on September 9. Accordingly, the Council will discuss further plan of action.

"Some GoM members are demanding that no changes be made to the tax slabs under GST. More discussions will happen before a final decision is taken," said Bihar's Deputy Chief Minister Samrat Chaudhary, who convened the first meeting of

EXISTING SLABS. There are four tax rate slabs - 5, 12, 18 and 28% - besides special rates like 0.25% (rough or sown diamond) and 3 per cent (gold and silver) **GETTY IMAGES/STOCKPHOTO**

the reconstituted GoM on Thursday.

He also mentioned that the GoM has received representations from restaurants, beverage and online gaming sectors, which will be reviewed and some of them will be sent to the Fitment Committee.

As on date, there are four

tax rate slabs - 5, 12, 18 and 28 per cent - besides few special rates such as 0.25 per cent (rough or sown diamond) and 3 per cent (gold and silver).

Some goods in the 28 per cent slab also attract compensation cess of up to 22 per cent, taking the total rate to 50 per cent.

Talking to *businessline*, West Bengal Finance Minister Chandrima Bhattacharya said, "I have said there should be no changes in the GST slab. A presentation will be submitted before the Council."

The next meeting of GoM is likely to be held on September 23 or 25. Asked if the GoM deliberated on reducing 4 slabs to 3, she said, "That will not happen for now. Slabs will be retained at 5, 12, 18, and 28 per cent. This will be reviewed by the Council."

Karnataka Revenue Minister Krishna Byre Gowda said that Goods and Services Tax (GST) has broadly stabilised. "So why disturb it? What will you achieve by disturbing it? We have said that in the next meeting that we will discuss

it (reducing slabs)," he added.

He also said that the GoM had asked for a break up of changes in tax rates on some items. "What will be the implication of tax rates going up or down on those items?" he said.

GST ON INSURANCE

When asked about the much-debated issue of GST on insurance premia, Bhattacharya said that she had raised the issue during the meeting. "The issue will be reviewed by the Fitment Committee before being presented to the GST Council," she said. It may be noted that the Committee has previously rejected revision in this rate thrice on the grounds that standard rate during pre-GST regime and reduction or exemption could lead to distortion of tax structure.

Responding to this, Byre Gowda said, "We have asked for further report (from Fitment Committee). We are not sure if it's part of the agenda."

The Opposition has been demanding the removal of GST on health and life insurance premia, which attract 18 per cent.

Earlier this month, Finance Minister Nirmala Sitharaman had said that tax on insurance premia has been in place even before the imposition of GST, and that the Centre shares GST revenues with States.

Other members of the GoM are Kerala Finance Minister KN Balagopal, Uttar Pradesh Finance Minister Suresh Kumar Khanna, Goa Transport Minister Mauvin Godinho, and Rajasthan Medical, and Health Services Minister Gajendra Singh.

Meeting to decide on GST rates for real estate remains inconclusive

The Group of Ministers' (GoM) discussions on real estate on Thursday remained inconclusive. The group will meet one more time before making suggestions.

The GoM, under the conensorship of the Chief Minister of Goa Pramod Sawant, is assigned to make suggestions at the meeting on various issues related with the GST mechanism for the real estate sector.

One of the key terms of reference is to examine various aspects of GST levied on the transfer of development rights in the Joint Development Agreement and suggest a suitable model.

Based on the recommendations of this GoM, the GST Council will consider various options. The issue of GST is tangled in various litigations. Earlier in February, the Telangana High Court had dismissed a writ petition filed by a realtor challenging GST on 'transfer of land development rights' (TDR) on a JDA for residential projects. This held valid the notification that imposed GST on JDA.

The matter has now reached the Supreme Court, where the ruling has been challenged. In its first hearing, the apex court did not grant a stay on the GST. Next date of hearing is September 9.

GST panel to examine ITC availed before deciding on notices to Infosys, other cos

Shishir Sinha
New Delhi

After closing the pre-show cause notice for Infosys related to fiscal year 2017-18, investigation officials will now examine whether full Input Tax Credit (ITC) was availed of in expenses incurred by overseas branch offices from FY19 to FY22. Meanwhile, a mechanism to resolve issuance of notices to Infosys, foreign airlines and the shipping council, is expected to be taken up in the next meeting of the GST Council, on September 9.

"Documents submitted or to be submitted by Infosys will be examined and a decision will be taken on

whether to close the notice or proceed with raising demands," a senior government official told *businessline*. On July 31, the company said it had received a pre-show cause notice from the Director General of GST Intelligence over tax dues of ₹32,000 crore incurred by its overseas branch offices in FY 18 to FY 22.

The company was of the belief that GST was not applicable on these expenses. Additionally, a circular dated June 26, based on the recommendations of the GST Council, stated that services provided by overseas branches are not subject to GST. GST payments are eligible for credit or refund against export of IT services.

Infosys claimed that it has paid its GST dues. Later, the company said that it had received a communication from DGGI closing the pre-show cause notice proceedings for FY18. However, notices for dues from FY19 to FY22 are still pending.

TWEAKS EXPECTED

Relief can be expected based on changes in the June 26 circular. Sources said that GST Council may consider making changes. Ankur Gupta, Practice Leader - Indirect Tax at SW India, said the circular allows transaction value for import of services between group companies to be considered as NIL, provided the recipient can avail of the ITC. However,

this relief does not extend to services used for exempted or non-GST supplies, under Section 17 of the CGST Act, 2017. This means that GST could be levied on the import of services.

If the imported services are partly used for exempted or non-GST activities, the recipient would need to proportionally reverse the ITC. This would negate the benefit of the NIL valuation and could lead to a GST demand on the portion of services used for such supplies.

Therefore, "while the circular provides relief in certain scenarios, businesses involved in exempted or non-GST supplies must assess their transactions," he said.

FinMin mulls allowing Variable Capital Company structure

KR Srivats

MANY BENEFITS. These include flexibility, cost efficiency, operational simplicity and global appeal. **THE HINDU**

The Finance Ministry is toying with the idea of allowing the novel corporate structure of Variable Capital Company (VCC) to meet the unique needs of investment funds. This may initially be allowed in GIFT City, which is the country's sole international financial services centre (IFSC).

Such structures have, in recent years, received significant attention within the fund management industry globally. "We are actively considering this. It is likely to be acted upon in the coming days. It may require an amendment to the IFSCA Act," official sources said.

WHAT IS VCC?

To put it simply, a VCC is a type of company that allows its share capital to fluctuate, depending on the number of shares issued or redeemed.

Unlike traditional companies, where the capital is fixed and changes require shareholder approval, a VCC's capital can be increased or reduced without such formalities.

This flexibility is central to VCC's appeal, particularly for open-ended funds where investor subscriptions and redemptions are frequent.

VCCs represent a major innovation in how funds are organised, managed, and

marketed, making it a competitive option for fund managers worldwide.

The VCC structure can accommodate both open-ended and closed-ended funds. It can be used as an umbrella fund with multiple sub-funds, each with its own distinct assets and liabilities, sources explained.

This allows fund managers to consolidate multiple strategies under one corporate umbrella, potentially reducing costs and improving operational efficiency, sources added.

COST EFFICIENT

Some of the benefits from VCC structure that flow to the fund management industry include flexibility, cost efficiency, operational simplicity and global appeal.

In terms of flexibility, the ability to issue and redeem shares without cumbersome procedures makes VCCs particularly attractive for fund managers dealing with di-

verse investor bases and fluctuating investment horizons.

It is also cost-efficient, as by consolidating multiple sub-funds under a single VCC fund managers can achieve economies of scale. This reduces administrative costs and enhances the efficiency of fund operations.

Since its introduction, the VCC structure has seen strong adoption, particularly in Asia. Its appeal lies in its ability to meet the evolving needs of fund managers who require a structure that is both flexible and globally recognised.

The structure has been used for a wide range of investment strategies, from traditional equities and bonds to alternative assets like real estate and private equity.

Foreign jurisdictions like Singapore have already introduced the concept of VCC through a separate legislation.

SC declines to halt operations of CoC in Byju's insolvency case

Krishnadas Rajagopal
New Delhi

The Supreme Court on Thursday did not need to repeated requests by debt-ridden edtech firm Byju's and the Board of Control for Cricket in India to defer the Committee of Creditors (CoC) from meeting.

A three-judge Bench headed by Chief Justice of India DY Chandrachud had, on August 14, stayed the operation of a National Company Law Appellate Tribunal (NCLAT) decision allowing Byju's to pay a settlement

amount of ₹158 crore to the Board of Control for Cricket in India (BCCI).

The order followed an appeal filed by US-based lender Glas Trust Company LLC, a financial creditor that said it had a claim of ₹8,500 crore over the edtech firm.

On August 22, the Bench gave Glas, represented by senior advocate Shyam Divan, time to respond to an affidavit filed by the opposite party.

Senior advocate AM Singhvi, appearing for Byju's, said the court must "balance equities" on its side too. Solicitor General

Tushar Mehta, for BCCI, said, "98 per cent of the CoC was Divan's client." Divan said his client had not constituted a CoC.

Senior advocate Kapil Sibal, who joined the hearing on the side of Divan, said the stay order on August 14 was itself a result of the court's prima facie findings leaning in favour of Glas.

The NCLAT decision, on August 2, allowing the settlement was based on the reasoning that BCCI would not accept any tainted money. The amount of ₹158 crore was offered by Riju Ravendran, Byju's brother.

मडगाव, दि.२२ : सासृष्टी तालुक्यात अन्न व औषध प्रशासनाचे सुरु केलेली खाद्यपदार्थांची तपासणी करण्याची मोहीम सुरूच आहे. या मोहिमेअंतर्गत मुर्गावरील एफडीएने सासृष्टी तालुक्यातील मांडोप, नावेली येथे छापा टाकून ९ हजार ४०० रुपयांचे खाद्यपदार्थ जप्त केले. एफएसएसएआय २००६ च्या नियमांचे उल्लंघन करून खाद्यपदार्थ बनवल्याचे दिसून आल्याने हे खाद्यपदार्थ जप्त करून विल्हेवाट लावण्यात आली. खाद्यपदार्थ तपासणी मोहिमेअंतर्गत एफडीएने मुर्गावरील मांडोप, नावेली येथे टाकलेल्या छापात २० किलो गोड हलवा जप्त केला. मुदत संपल्याने तसेच सुरक्षितरीत्या साठवून ठेवण्याची सुविधा नसल्याने हलवा जप्त केल्याची माहिती एफडीएने दिली. त्याचबरोबर एफएसएसएआयच्या नियमाला अनुसरून लेबल नसल्याने ३ हजार, ८०० रुपये किंमतीचे १५ किलो फरसाण जप्त केले. जनतेच्या आरोग्याची खबरदारी घेण्यासाठी जप्त

Repair potholes in Ponda, Curti before Ganesh festival, urge locals

Team Herald

PONDA: Commuters traveling on buses along the approach road to the KTC Bus Stand in Ponda are enduring hardship due to the pothole-ridden road leading to the bus stand. Numerous potholes can be seen along this stretch, creating a risk of accidents. The road is also frequently used by college students from Farmagudi, increasing the safety concerns.

This particular stretch of road gets damaged every year due to water accumulation in certain spots, making it a recurring problem.

Vishal Fadte, a resident of Ponda, pointed out that in addition to the road near the KTC Bus Stand, potholes can also be seen near the Amigos Underpass junction at Curti. He emphasized that since these roads will be heavily used during the upcoming Chaturthi Festival, authorities should conduct a survey of such roads and carry out necessary repairs before the festival, particularly the road near the KTC Bus Stand, to ensure the safety of the public.

Potholes and loose gravel mar the road leading to Ponda's KTC bus stand

Calangute police arrest K'taka native involved in 20 chain snatching cases

Team Herald

CALANGUTE: The Calangute police arrested a Karnataka native accused in 20 chain snatching cases from tourists on Thursday and succeeded in recovering most of the stolen property from the accused.

The accused, Azeez Asif, 32, a resident of Tumakuru, Karnataka, was traced and arrested using advanced investigative techniques, Calangute police said.

P'yats will be made accountable for illegal hoardings, govt tells HC

Team Herald

PANJIM: The village panchayats in the State will be directed to initiate action against illegal hoardings within their respective jurisdiction using provisions under the building regulation act.

While hearing a suo motu writ petition in the matter of illegal hoardings, Advocate General Devidas Pangam told the High Court of Bombay at Goa that a circular will be issued by the Director of Panchayats to this effect to all the village panchayats within next 15 days.

The government also told the court that action will be initiated against village panchayats, which fail to take such actions against illegal hoardings in their jurisdiction as per the Goa Panchayat Raj Act, for failing to perform their duties.

During the last hearing, senior advocate S D Lotlikar, who has been appointed as amicus curiae, had produced a letter addressed to him by the Siolim Civic And Consumer Forum along with photographs showing hoardings right in the middle of the road and by the side of the road, which were in the line of sight of the driving vehicles thereby compromising the safety of the vehicular traffic.

It was submitted that these hoardings were erected without any permission from the authorities. The Court had expected the PWD to take appropriate action in accordance with law if these hoardings were erected without any permissions or were not in accordance with the hoardings policy.

The Court had also asked an advertising agency from Vasco and a city builder to file their affidavits for displaying hoardings on electricity poles and on top of buildings brightly illuminated respectively.
